Dear Sir:

According to the Image File Wrapper (copy attached) on the USPTO web site in regards to the above-noted filing, the Petition to Make Special - 37 CFR 1.102(c) was received in your office on July 23, 2003. It seems the Petition was erroneously grouped with the Inventor's Declaration. We enclose herewith a copy of the Declaration in support with the USPTO date stamp. We also enclose a fresh copy of a letter formally petitioning that this filing be made special.

To date, we have not received confirmation of recordal of this Petition. Could you please provide us with written confirmation of receipt and recordal of this Petition in regards to the above-noted filing.

Respectfully submitted,  
Constantinos J. Joannou

Dear Sir:

Declaration  
Petition to Make Special  
-37 CFR 1.102 (c)

1. I am the sole inventor and applicant in respect of the above application. My age is 70 years.
2. Early examination will allow me to profit from my invention, and facilitate its implementation if the Examiner's report is favourable.
3. I HEREBY declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Dated at Ottawa, Canada on July 20, 2003.
